## LEADERSHIP

# Meet the Founder

## Ahmet Can Yesildag

### Founder & Chief Wellness Travel Advisor

Ahmet Can brings 30+ years of senior hospitality leadership to Orophile — from General Manager roles at Radisson Blu properties across Eastern Europe and the Middle East to regional recognition as Best Hotel 2014 by Carlson Rezidor. A Cornell University General Managers Programme alumnus (GPA 4.59), Skål International President, and Lambton College faculty member, Ahmet founded Orophile Wellness Journeys to channel his expertise in luxury hospitality into deeply transformative travel experiences. Every journey carries the same quiet care and operational precision that defined three decades at the highest levels of global hospitality.

## CLIENT EXPERIENCE

# What Our Clients Say

“

*“We arrived exhausted and left renewed. Ahmet designed our Swiss Alps retreat around exactly what we needed — not what sounded impressive on paper. The thermal baths, the guided morning hikes, the silence. It was the most restorative week of our lives. We are already planning our return.”*

— M. & S. Hartmann • Swiss Alps Mountain Wellness Retreat • Orophile Client, 2025
